

Health Insurance Coverage in California's Latino Population

The following two graphs were created using data from the following source:
 UCLA Center for Health Policy Research. *The State of Health Insurance in California: Findings from the 2003 California Health Survey, 2003*. This document can be found in PDF format at:
http://www.healthpolicy.ucla.edu/pubs/files/SHIC03_RT_081505.pdf (Pages 19, 20)

Racial/Ethnic Group by Health Insurance Coverage During Last 12 Months, Ages 0-64, California, 2003

Latino Ethnic Group by Health Insurance Coverage During Last 12 Months, Ages 0-64, California, 2003
