

Health Insurance Coverage in California's Asian Population

The following graphs were created using data from the following source:
 UCLA Center for Health Policy Research. *The State of Health Insurance in California: Findings from the 2003 California Health Survey, 2003*. This document can be found in PDF format at:
http://www.healthpolicy.ucla.edu/pubs/files/SHIC03_RT_081505.pdf (Page 19)

Racial/Ethnic Group by Health Insurance Coverage During Last 12 Months, Ages 0-64, California, 2003

Asian Ethnic Group by Health Insurance Coverage during Last 12 Months, Ages 0-64 years, California, 2003

* For Medi-Cal or Healthy Families Coverage in the Japanese group: estimate is unstable because coefficient of variation is above 30%.
